BROWN COUNTY SCHOOLS
Support Staff Personnel

INTRODUCTION

This Support Staff Personnel Handbook establishes policies and procedures of the Board of School Trustees applicable to support staff personnel employed by the Brown County Schools. This Handbook may not contain all of the policies and procedures that are applicable to support staff personnel. The policies described in this Handbook may be changed, added or deleted by the Board of School Trustees for the Brown County Schools at any time, for any reason, with or without notice, subject to any applicable law. Brown County Schools will make every effort to notify support staff personnel when an official change in policy or procedure has been or will be made but support staff personnel are responsible for their own up-to-date knowledge about the Schools' policies and procedures.

The information contained in this Handbook as it pertains to support staff benefits is only intended to provide a brief summary of our benefit plans. Where there is a difference between this Handbook summary and any benefit plan document, the plan document will govern.

The policies described in this Handbook will be applied at the discretion of Brown County Schools in compliance with all applicable law. Failure of the School Corporation to enforce any provision of a policy does not constitute a waiver of that policy.

This Handbook is **NOT** a contract of employment nor is it intended to create contractual obligations for the Brown County Schools of any kind. Support staff personnel are employed at-will and may be terminated at any time for any reason (subject to applicable law) with or without notice.

This Handbook supersedes all prior versions of any support staff handbook and any other written or unwritten policies and procedures that conflict with the policies herein.

Personnel Policy

It is the policy of Brown County Schools to hire the most qualified persons to support the mission of the corporation to educate and protect the children of Brown County. Support staff work on an at will basis for Brown County Schools. At will employment does not include contractual protection and is contingent upon satisfactory performance.

To keep its personnel policies and the corresponding administrative guidelines in the highest state of effectiveness the Superintendent is directed to establish appropriate procedures.

EMPLOYMENT RECOMMENDATIONS

It shall be the responsibility of the Superintendent to recommend to the Board of School Trustees the highest quality applicants for the positions established.

NON-DISCRIMINATION

It is the policy of Brown County Schools not to discriminate on the basis of race, color, religion, sex, sexual orientation, national origin or age in its educational programs or employment policies as required by the Indiana Civil Rights, Titles VI and VII (Civil Rights Act 1964) the Equal Pay Act of 1973 and Title IX (1972 Education Amendments).

Inquiries regarding compliance with Title IX may be directed to the Title IX Coordinator. All other inquiries regarding the School Corporation non-discrimination policy should be directed to the Superintendent.

Further, no qualified individual with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subject to, discrimination under any programs or activity.

ATTENDANCE

Punctual and regular attendance is an essential responsibility of each employee in Brown County Schools. Any tardiness or absence causes problems for fellow employees and supervisors. When an employee is absent, others must perform the work, which diminishes the smooth functioning of the school district.

Employees are expected to report to work as scheduled, on time and prepared to start work. Employees also are expected to remain at work for their entire work schedule. Late arrival, early departure or other absences from scheduled hours are disruptive and must be avoided. The purpose of this policy is to promote the efficient operation of the school district and minimize unscheduled absences.

Any employee who fails to report to work without notification to his or her supervisor for a period of three days or more will be considered to have voluntarily terminated his or her employment relationship.

“Absence” is defined as the failure of an employee to report for work when the employee is scheduled to work. The two types of absences are defined below:

1. Excused absence occurs when all four of the following conditions are met: a) the employee provides sufficient notice to his or her supervisor, b) the reason is found credible or acceptable by his or her supervisor (see number 2 below), c) such absence request is approved by his or her supervisor, and d) the employee has sufficient PTO day(s) to cover such absence. Employees must take a PTO day for every absence unless otherwise allowed by district policy (e.g., Leave of Absence policy, Bereavement policy, Jury Duty). Brown County Schools uses a calendar year when determining an excessive amount of unexcused absences. (See number 2.)

2. Unexcused absence occurs when one of the four conditions in number 1 is not met. If it is necessary for an employee to be absent or late for work because of illness or an emergency, the employee must notify his or her supervisor no later than 30 minutes after the employee's scheduled starting time on that same day. If the employee is unable to call, he or she must have someone make the call for the employee.

Two days of unexcused absence may subject an employee to immediate termination. Progressive discipline will be administered according to the table in the section "Progressive Discipline for Unexcused Absences" below.

Employees who have three consecutive days of excused absences because of illness or injury must give Brown County Schools a proof of physician's care. If an illness or injury prevents an employee from performing his or her regularly scheduled duties, a physician's statement must be provided verifying a) the nature of the illness or injury, b) if and when the employee will be able to return to work, if applicable, and c) whether the employee is capable of performing his or her regularly scheduled duties, and if not, what duties the employee is capable of performing. The employee is responsible for providing Brown County Schools with the above-described physician's proof of physician's care. Without an acceptable excuse, the employee may be subject to immediate termination.

For an emergency absence occurring a) at the beginning of an employee's shift, the employee must notify his or her supervisor within 30 minutes after the beginning of the shift, and b) during an employee's shift, the employee must notify his or her supervisor prior to leaving the premises.

An employee's supervisor must approve any exceptions to this provision or any conflicts in scheduling.

Tardiness

Employees are expected to report to work on time. If employees cannot report to work as scheduled, they should notify their supervisor no later than 30 minutes after their regular starting time. This notification does not excuse the tardiness but simply notifies the supervisor that a schedule change may be necessary.

Progressive Discipline for Unexcused Absences

First instance	Verbal warning
Second and all future instances totaling fewer than 2 days	Written warning
At 2 days of accumulated unexcused absences	Subject to termination

LEAVES AND HOLIDAYS

Unpaid Leave Days

An employee requesting leave days beyond those days granted by the policies of the School Corporation or by applicable law must make his/her request to the Building Administrator or Supervisor. Such request will be granted if the Building Administrator or Supervisor, in his/her sole discretion, determines that extenuating circumstances exist that justify the need for the additional leave days. Each request and the extenuating circumstances associated with the request will be evaluated on case-by-case basis. The Building Administrator or Supervisor will not typically grant requests for unpaid personal leaves of

absence beyond those leave days provided to employees by School Corporation policy and applicable law. All leave days available to an employee through the School Corporation's policies and law must first be exhausted before the Building Administrator or Supervisor will consider a request to grant additional unpaid leave days.

Paid Time Off (PTO) Leave

Support staff shall use PTO for either their own personal illness or to care for eligible family members who are ill and personal leave. An eligible "family member" for purposes of this provision is defined as the employee's father, mother, brother, sister, spouse, child, father-in-law, mother-in-law, grandchild or a person living in the home of the employee. 180-230 day employees working 30 hours or more per week are provided twelve (12) PTO days each school year. Unused PTO days accumulate each year to a maximum of 90 sick days for those employees on Retirement Plan I and 190 days for those on Retirement Plan II.

260 day employees are provided fifteen (15) PTO days each calendar year. Unused PTO days accumulate each year to a maximum of 90 days for those employees on Retirement Plan I and 190 sick days for those on Retirement Plan II.

Support staff working less than 180 days and/or less than 30 hours per week and temporary employees are not eligible for benefits, including holiday pay, except workers compensation, if eligible under state law.

Bereavement Leave

Support staff shall be granted up to five (5) days leave for the death of a family member of the employee's immediate family. The immediate family shall be defined as the employee's father, mother, brothers, sisters, spouse, children, father-in-law, mother-in-law, grandchild, person living in the home, or other family member approved by the Superintendent.

Should the support staff member not use all five (5) days at the time of the bereavement, one (1) day remaining of the five (5) days shall be available during the same school year for the employee to settle estate matters.

Support Staff shall be granted three (3) consecutive days leave for death of any other relative not defined as immediate family.

Bereavement leave shall begin on either the day of the death of the relative or the day following the day of death. When the funeral or memorial service is scheduled to be outside this time period, the support staff may appeal to the Superintendent or his/her designee to begin the bereavement leave at a time other than the day of death or the day after the death in order to accommodate attendance at the funeral.

Jury Duty

Employees serving on jury duty or subpoenaed to appear as a witness in court must submit their compensation, excluding travel reimbursement, to the school district in order to receive their normal pay.

Election Board

Employees shall not be paid by the school district to serve on any Election Board.

Leave for Major Disability

260 day employees working 30 hours or more per week are provided long term disability insurance at a cost of \$1.00 per year. For information relating to the requirements to be eligible for long term disability insurance, please see the long term disability plan document that may be obtained through the Superintendent's Office.

Family and Medical Leaves of Absence ("FMLA")

Leaves of absence under the Family and Medical Leave Act for support staff personnel will be covered by Board Policy 4430.01 – Family & Medical Leaves of Absence ("FMLA"). This Board Policy is available on the web site of the Brown County Schools and is also available through the Superintendent's Office. All full-time employees qualify for Family & Medical Leaves Absence.

Sick Leave Bank

Sick Leave Bank is offered to all full-time support staff who are members of the sick leave bank. (hereinafter referred to as a "Participating Members"). The rules set out below will apply to usage of days in the sick leave bank for Participating Members.

Individual participation shall be voluntary. The School district shall, within ten (10) days after the date of employment, and upon receipt of a properly completed and signed Sick Leave Bank Contribution Form deduct one (1) PTO day from the authorizing employee's earned leave allotment.

1. Any Participating Member who has exhausted his/her accumulated leave and has been employed continuously at least one (1) year will be eligible to apply to the sick leave bank.
2. The initial number of days available to any one Participating Member shall be thirty (30) with a maximum of sixty (60) days available per year.
3. Requests for a Participating Member to withdraw sick leave bank days require:
 - (a) A doctor's statement indicating the nature of the illness/disability.
 - (b) Verification from the central office that the employee's PTO days have been exhausted.
 - (c) Verification that the employee has not applied for or received any public funds or benefits derived from public funds as partial or full compensation for the illness or disability causing the absence.
4. The Sick Leave Bank Review Committee is comprised of two (2) support staff members and one (1) administrator appointed by the Superintendent. The committee shall review each request on an individual basis. The Committee has the full responsibility in granting, denying or suspending grants of days from the Sick Leave Bank, provided, the above rules were followed.
5. Days granted for Sick Leave Bank use can only be used for personal use. A Participating Member may not apply to the Sick Bank for use when a family member is sick.
6. Days shall not be transferable to another school corporation or used outside sick bank provisions.
7. Donations to the sick bank, other than those described for initial membership, shall be required only when the sick bank balance nears depletion during the school year. In such event, each member of record for the current school year or the prior school year, as appropriate, shall donate an additional day in order to remain as a member in good standing.

8. Employees who failed to join the sick leave bank at the time of employment shall become members only by donating one (1) day for each year that they were eligible. They are also obligated to any additional days of donation required of bank members during that same period.

BENEFITS

Health, Dental, and Vision Insurance

All support staff who work 30 hours per week are eligible to participate in the Corporation benefit package. This includes Health, Life, and Dental, Vision insurance and INPRS. All employees must fill out an insurance form indicating their decision to participate in the plan. Claim forms for health/vision insurance can be obtained online.

Life Insurance

All support staff who work thirty (30) hours or more per week are provided a basic life insurance policy at the start of their employment and will be eligible for additional insurance that is optional, at the rate set by the corporation insurance company. Supplemental life insurance is also available for additional cost. Eligible employees must complete an insurance form for basic life and indicate their decision to participate in the optional portion of the plan.

Elective Coverage

Elective coverage is available for Short-Term Disability, Cancer, Life, and Major Medical. This coverage is elected by the employee and is not covered by Brown County Schools.

INPRS

All support staff who work thirty (30) hours per week are permitted by the State of Indiana to be members of the Public Employees Retirement Fund (PERF) administered by the Indiana Public Retirement System (INPRS). The corporation will pay all retirement for support staff. Eligible employees have the option of making additional contributions at their own discretion. Overtime

Overtime will only be allowed upon approval of the building administrator or supervisor. Overtime is calculated on the number of hours worked exceeding 40 hours in a work week and will be paid at time and one half. “Hours worked” means the employee is actually working. For example, if an employee is paid for a paid leave day or paid holiday, then such time, even though paid, is not actually worked by the employee, and therefore such hours are not included as “hours worked” for that work week.

Time Sheets

A time sheet must be completed by each hourly and daily rate employee. The time sheet should be completed and signed for the pay period indicated. The time sheet is to be turned in to the building Administrative Assistant or Administrator according to the payroll calendar schedule. Only properly completed time sheets will be processed by the payroll department.

Direct Deposit

All employees are required to receive pay by direct deposit.

Retirement/Severance

The 401(a) Plan Administrator will be determined by the Board of School Trustees after receiving a recommendation from the Superintendent.

Plan I

For 260 day employees, the Board of School Trustees will contribute \$425 a year. The plan will vest upon completion of the 5th year of service at Brown County Schools.
2. For every dollar contributed to a 403(b) plan by employees, the Board of School Trustees will contribute matching dollars, to a 401(a) defined contribution plan up to the following annual maximum match amounts:
For employees employed less than 12 months a year – Board maximum annual match is \$250.00.

For 260 day employees – Board maximum annual match is \$350.00.

The employee contribution to the match program shall vest immediately. The Board of School Trustees contribution to the match will vest upon completion of the 5th year of service at Brown County Schools.

3. The Board of School Trustees shall contribute to a 401(a) defined contribution plan \$60 per day of unused leave up to a maximum of ten (10) days per year.
4. Employees in Plan I may only accumulate up to 90 leave days for leave purposes and will not be eligible for accumulated leave related severance benefits.

Plan II

Employees hired before January 1, 1997 who receive severance pay in accordance with the following formula: Percentage of unused accumulated leave multiplied by present daily rate. Employees must have ten years of continuous employment with Brown County Schools and may accumulate up to 190 days of unused leave under this plan. Service factors and percent used in the formula are to be taken from the following table:

<u>YEARS OF SERVICE IN THE BROWN COUNTY SCHOOLS</u>	<u>PERCENTAGE OF UNUSED ACCUMULATED LEAVE</u>
10 - 14	35%
15 - 19	45%
20 - 24	55%
25 - 29	65%
30 -	75%

Severance pay, provided all of the above provisions are satisfied, will be paid only one time by the employer to an employees designated 403(b) account. Said payments shall be paid within 24 months of severance in three nearly equal installments payable on or about July 15 of the year of retirement, July 15 of the following year, and January 10 of the next year.

An employee who was employed by the School Corporation before November 1, 2017 may participate in a Medicare Bridge Benefit Program, (hereinafter called the "Program"), in this School Corporation. Any employee commencing employment with the Brown County Schools on or after November 1, 2017 shall not be eligible for this benefit. If the employee qualifies for Part A of the Medicare Act before the first payment is to be made, he/she will not receive the cash payment for that year or any subsequent years. Payment will be made two times per year to the employee's VEBA account. Such compensation for an individual participating employee shall remain fixed at the stated amount contained herein for the entire duration of such employee's participation and shall not be changed for such employee due to revision of the compensation amount in a successor handbook.

It will be the responsibility of the employee to pay such insurance premiums due in the manner designated by the Superintendent.
4. The employee shall cease to be a participant in the Program, and no further compensation will be due or payable to the employee, (1) when the employee has completed the school year (July 1 to June 30) in which the employee first reaches normal Medicare eligibility age (the age at which one can retire and still collect full Medicare benefits), or (2) the employee has received the maximum number of annual payments for which the employee qualifies (not to exceed ten (10) annual payments), or (3) when the employee has died before completion of the Program, provided, however, that the compensation shall be prorated for the year of the employee's death.
5. Should the Board subsequently determine to rehire an employee who elected to retire under this option, no further compensation and no Medicare bridge stipend under the Program will be due or payable to the employee. Further no Medicare bridge stipend and no retirement pay for years of service or for unused accumulated sick leave days will be paid upon retirement of the employee a second (2nd) time.

SEPARATION

Employees resigning their employment will submit a written resignation to their supervisor at the earliest possible date and preferably no later than two weeks prior to the termination date. All resignations will be deemed accepted by the Board of School Trustees upon submission of the resignation to the employee's supervisor.

If an employee separates with the district and returns for employment within one year, the employee will return to the same rate of pay if the position they are returning to is the same. If an employee separates from the district for more than one year, the employee will return at the entry rate of pay for the position.

EMPLOYEE STANDARDS OF CONDUCT

All support staff are expected to cooperate with other employees and supervisors and are expected to treat other staff and students in a fair and humane manner. Employees displaying rude, discourteous, or negligent behavior, or inappropriate interactions with employees, supervisors, or students will be subject to disciplinary action and/or dismissal.

Professional behavior is expected of all employees. Offenses may include but are not limited to: breaches of confidentiality, emotional abuse or harassment, physical abuse, sexual abuse, swearing or other profanity, being discourteous or non-cooperative with co-workers and/or supervisors, etc.

Employees are expected to be positive role models. Use of tobacco products, alcoholic beverages, or inappropriate language during working hours on school property will result in disciplinary action and/or dismissal.

Conviction of criminal charges that have not been expunged may result in disciplinary action and/or dismissal.

FORMS OF AVAILABLE DISCIPLINARY ACTION

The following forms of discipline are options the Superintendent or a supervisor may utilize in the Superintendent/supervisor's discretion in response to employee misconduct that warrants disciplinary action.

A. Supervisory Conference

A formal meeting between the employee and supervisor to review performance and make recommendations may be held.

B. Probation

The Superintendent or his/her designee may place an employee on assigned probationary status for up to one year.

C. Suspension

The Superintendent or his/her designee may suspend an employee from work without pay.

D. Termination

The Superintendent or his/her designee may terminate an employee at any time. The Board of School Trustees will approve the termination at the next scheduled meeting.

CRIMINAL HISTORY CHECKS

To help ensure a safe environment and as required by state law, Brown County Schools will conduct an expanded criminal history check on each employee once every five (5) years. The superintendent will be responsible for determining the schedule for conducting the expanded criminal history checks on school employees. The cost of an expanded criminal history check will be the responsibility of the employee.

The School Corporation may conduct an expanded criminal history check on an employee when the Corporation has reason to believe the employee has been convicted of or charged with certain crimes enumerated in state law or an expanded child protection index check when the Corporation has reason to believe the employee is the subject of a substantiated report of child abuse or child neglect.

Each employee will be questioned about the individual's expanded criminal history check. Failure to answer honestly any questions related to the expanded criminal history check may be cause for termination of the employee.

Any information obtained from any criminal history check is confidential and shall not be released or disseminated. All school employees are required by state law to report to the School Corporation if they have been convicted during their employment of certain crimes enumerated in state law. The superintendent or designee is responsible for implementing regulations to notify the employees, including volunteers, and the entities for contracted services of this duty.
