Waltman Construction 7th Grade Student of the Month

Congratulations to BCMS September "Student of the Month" Josh Harrison. Josh was nominated by his Art Teacher Mrs. Roales and his Social Studies Teacher Mrs. Olson. According to Mrs. Roales, "Josh is a not only a fantastic artist, but also a great contributing member of our classroom. He strives to do his best and works well with others. He is a kind, honest, reliable, and responsible person. He is a self driven learner that strives to do his best." Mrs. Olson adds that "Josh takes pride in all that he does in my class! He is very school-focused and seeks to learn everything he can about topics we are learning. Josh is able to carry over skills from other areas to contribute to Social Studies topics. He is careful and meticulous, while not afraid to take chances and seek out various ways to make his contraption work in the makerspace lab. Josh shows compassion for others and values his education more than any other student his age that I have had contact with." Josh's picture will be displayed at BCMS during the month of September. A special thanks to **Waltman Construction** for sponsoring the BCMS "Student of the Month". Josh will be receiving a "Student of the Month" plaque compliments of **Waltman Construction**.
