## Waltman Construction 7th Grade Student of the Month

Congratulations to BCMS April “Student of the Month” Elayna Stanley. Elayna was nominated by her Math Teacher Mr. Hebert. According to Mr. Hebert, "Elayna is all a teacher can ask for in a student. She is inquisitive, hard working, and heavily involved in school activities (tennis, spell bowl, academic team, science olympiad, student council, etc). She is well deserving of being our student of the month." Elayna’s picture will be displayed at BCMS during the month of April. A special thanks to **Waltman Construction** for sponsoring the BCMS “Student of the Month”. Elayna will be receiving a “Student of the Month” plaque compliments of **Waltman Construction**.
