**Brown County Schools
2023-2024 eLearning Day Plan for Inclement Weather**

Per Indiana Statute, Brown County Schools are allotted a total of 3 eLearning Days for the 2023-2024 school year. The first day of each closure will be an eLearning day. (As long as one of the three days is still remaining.) If there is a need for consecutive closure(s) after the eLearning Day, those days will be made up as a Weather Make-up Day.***

*** Please Note: In the event of a 4th consecutive weather day, we will utilize an eLearning day (as long as one of the three days is still remaining.)

Example 1:

School is closed on Monday due to inclement weather: eLearning Day
School is in session on Tuesday: normal school day
School is in session on Wednesday: normal school day
School is closed on Thursday due to inclement weather - eLearning Day
School is closed on Friday due to inclement weather - Weather Make-up Day

Example 2:

School is closed on Monday due to inclement weather: eLearning Day
School is closed on Tuesday due to inclement weather: Weather Make-Up Day
School is closed on Wednesday due to inclement weather: Weather Make-Up Day
School is closed on Thursday due to inclement weather: Reinstate 2nd eLearning Day
School is closed on Friday due to inclement weather: Weather Make-up Day

Ms. Tracy will make an announcement regarding the school day status (eLearning Day or Weather Makeup Day) every time that school is closed due to inclement weather. Every effort will be made to make the decision as early as possible and the night before if at all possible. Unless emergencies arise, most announcements will be made no later than 5:45 am.

Announcements will be made on ParentSquare as well as the following social media and news outlets.
