BROWN COUNTY SCHOOLS

Student Outcomes

- HES will be STEM certified by 2025

SCIENTIST OF THE WEEK

Kyler Parman
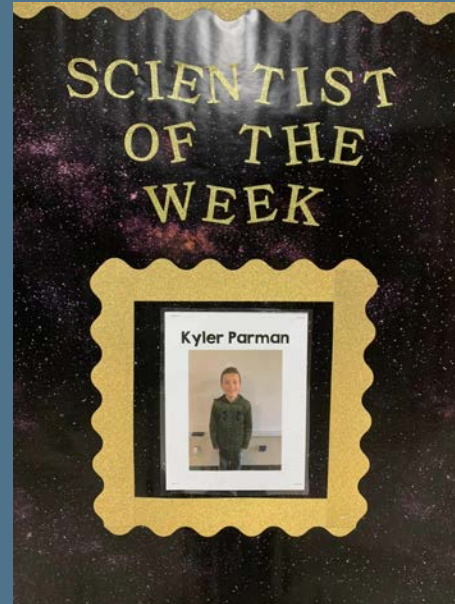

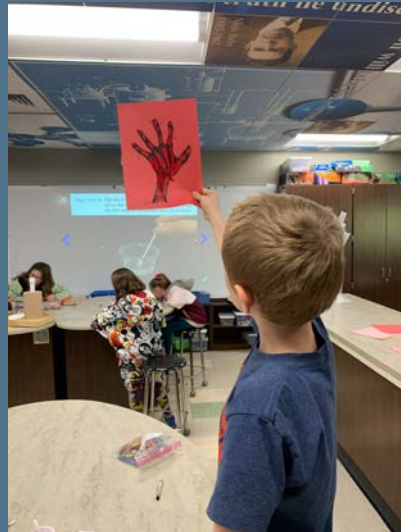

Student Outcomes

Helmsburg Elementary

- HES will explore career connected opportunities throughout the 2022-2023 school year using the Junior Achievement curriculum.

Helmsburg Elementary School

Student Outcomes

HES will provide intervention opportunities throughout the school day for our early readers to have them reading on grade level by third grade as measured by IREAD 3.
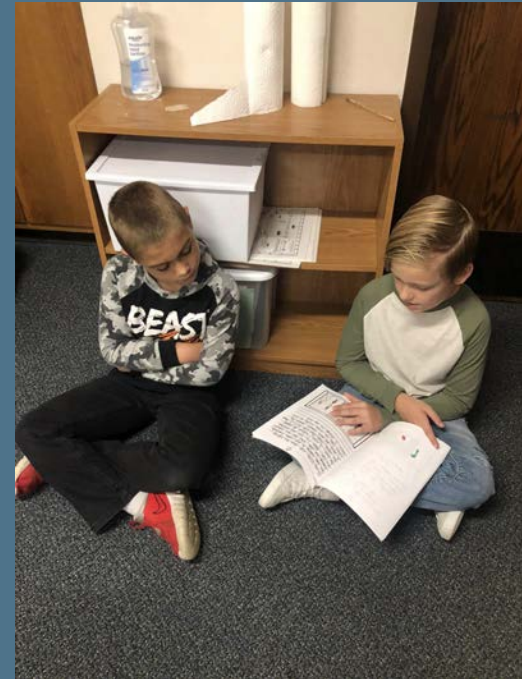

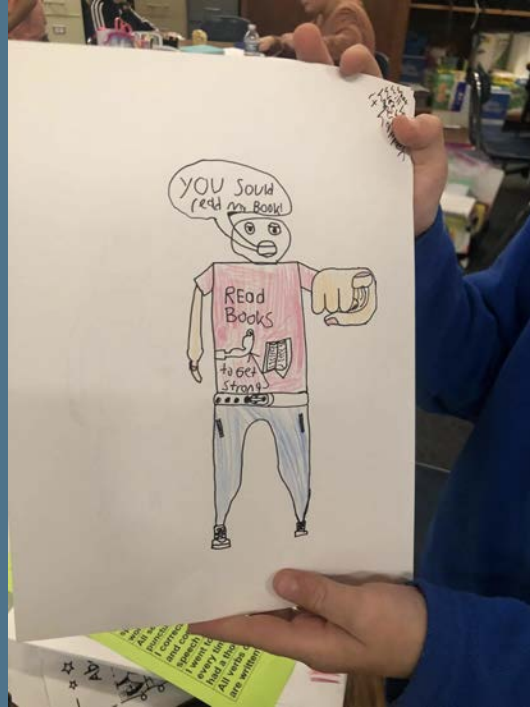

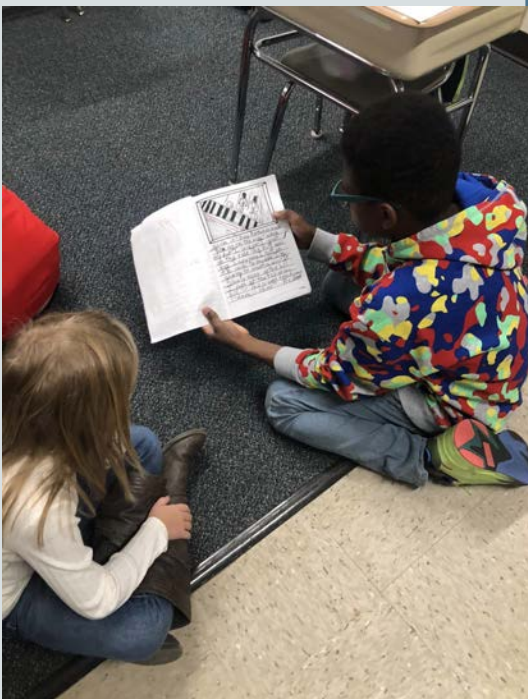

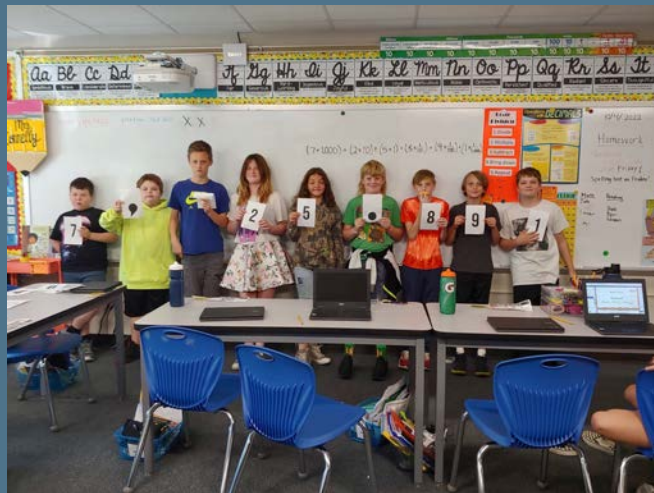

School Safety and Security

Helmsburg Elementary School

HES staff will be trained in safe schools operations throughout the 2022-2023 school year.

BROWN COUNTY
SCHOOLS

Recruitment and Retention

Helmsburg Elementary School

HES staff will welcome and mentor new staff and make a positive impact so that they will want to continue in BCS.

- 4 new staff
- 4 mentors/coaches

BROWN COUNTY SCHOOLS

Helmsburg Elementary School

BROWN COUNTY
SCHOOLS

School Family Community Engagement

- HES will create partnerships with outside organizations to further our career connected learning opportunities for students during the 2022-2023 school year.
- HES will create opportunities throughout the year for families to be engaged in our school community.
- HES will continue to display our #TigerPride through social media. (Facebook: Helmsburg Elementary Tigers)

Sprunica Goals

BROWN COUNTY SCHOOLS

Student Outcomes

- SES will begin the STEM certification process by utilizing the STEM rubric from the IDOE and triggering the certification by the end of the 2022-2023 school year.

- SES students will have 80% students passing IREAD 3 by 2023 through daily reading intervention based in the science of reading.

- SES will be adding Junior Achievement in grades K-5, and 5th grade will attend Biz Town.

Sprunica Goals

School Safety and Security

- SES will have an Advanced trained School Specialist (Principal)

- SES will have another staff member attend the Monthly School Safety Meetings.

- SES will involve students in the checklist of completion in all safety drills. This will done included in every practice drill this year.

- SES will have an officer in the building monthly during the 2022-2023 school year.

Sprunica Goals

Recruitment and Retention

- Sprunica will continue to maintain a positive working environment where staff feels respected, supported, and appreciated. All teachers will participate in a mid year check like we did last year. Then an end of the year survey.

- Sprunica will assign our new-to-our-building staff, a mentor, which are required to meet weekly and monthly with Master Teacher. We will conduct and interview with the mentees to see if they felt this program had a positive impact on their first year.

School Family and Community Engagement
- Sprunica students will have the opportunity to participate in afterschool programs that are provided by staff, PTO, IASP, and local partners like Cummins. We will keep records on what percentage of our students participates in this activity.

- SES will continue to display our Eagle Pride through social media, every teacher is required to post something positive once a week. Sprunica will continue to maintain a positive working environment where staff feels respected, supported, and appreciated. (A mid year check in and an end of the year survey.
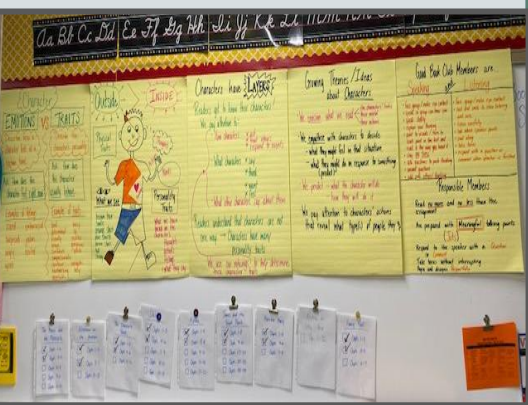

Happy Staff and Happy Students

- Sprunica will promote a school culture where students feel safe, supported and valued. (School Survey that we create)

- Sprunica will implement Surprise and Delight days to promote a positive school culture.

- Sprunica classroom teachers implement reward programs for the whole class and individual

BROWN COUNTY
SCHOOLS

Reading & Writing Workshop

- Reading/writing taught through the use of a workshop method
- Begins by studying a mentor piece
- Steps and success criteria become lessons
- Model how we, as the teacher, do this work
- Students practice it with us
- Students work together to practice this work
- Teachers circulates to notice where students are strong or struggle
- Students share out their work
- Work independently writing and reading
- Conference with individual students as they work independently.
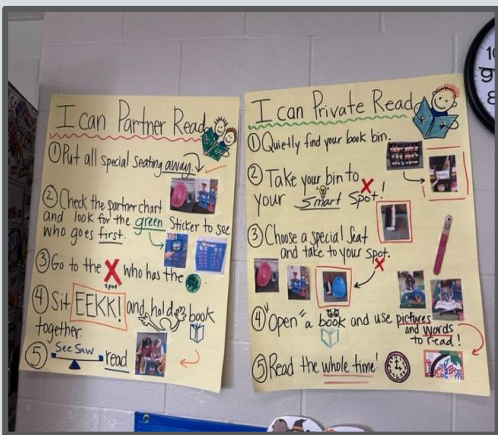

SES Science PLTW STEM

Science at Sprunica looks like world class opportunities through engagement with:

- Bi-monthly PLTW modules and bi-monthly Mystery Science units
- Community Career Connections through community member presentations
- Our state of the art science lab at Sprunica houses-
  - student VEX models,
  - MakerSpace creativity zone,
  - experiments from Kindergarten through 5th grade!
- Students from grades K-5 conduct many experiments throughout the year

Graduate Profile

Sprunica believes that the graduation profile is all of the skills that a student must have to be successful in whatever career he/she chooses.

We are proud of ...

BROWN COUNTY
SCHOOLS

- After school tutoring program.
- Third Grade Intense IREAD instruction
- Student Attendance
- Creative Scheduling (needs)
- Our Sprunica Family

Challenges:

Small rural school and our location makes it difficult to keep staff and students

Opportunities:

Small rural school where we can still provide world class opportunities with a small school relationship that impacts life-long learning

BROWN COUNTY

Building Goals

Student Outcomes

- Van Buren Elementary school will be STEM certified by 2025.
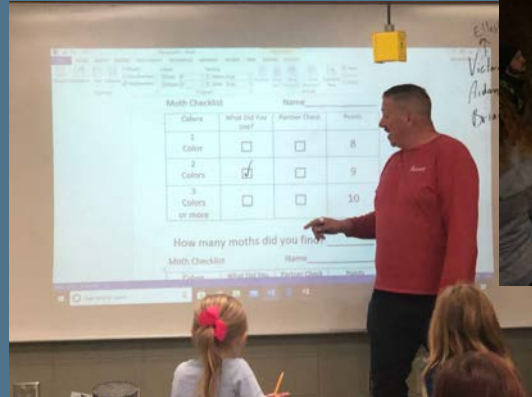

Van Buren Elementary School

BROWN COUNTY SCHOOLS

Building Goals

Van Buren Students will demonstrate growth in Math as measured by IREADY.
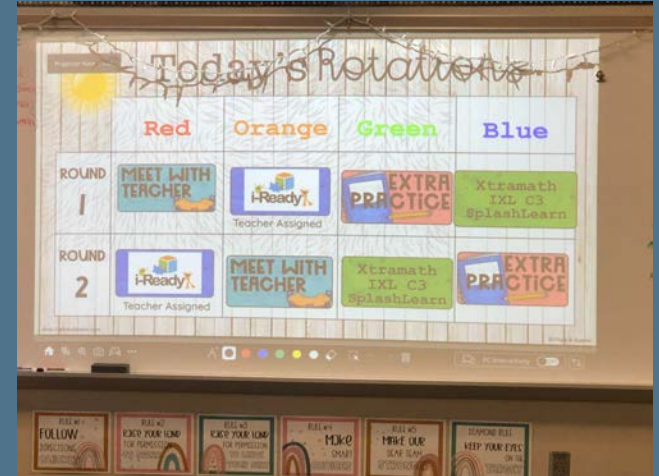

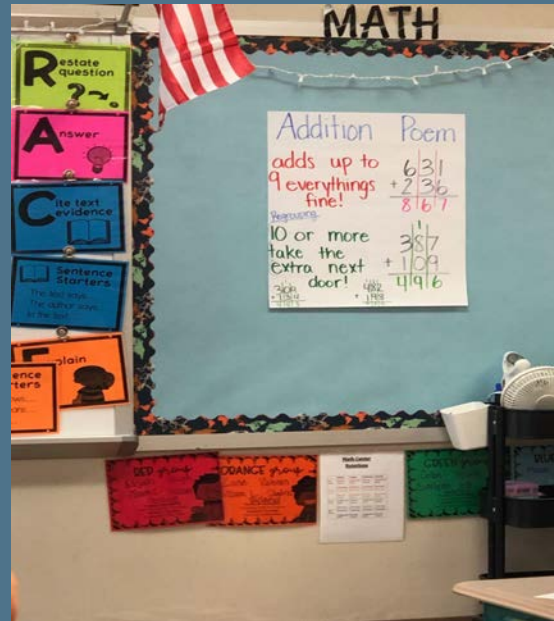

Van Buren Elementary School

BROWN COUNTY SCHOOLS

Building Goals

Van Buren students will explore career opportunities through Junior Achievement and Beable.

Van Buren Elementary School

Building Goals

School Safety and Security

- One staff member is a certified school safety specialists. (Principal)
- Staff members will be trained in school safety operations and participate in school safety drills.
- Van Buren has a strong partnership with the Brown County Sheriff's Department

Van Buren Elementary School

BROWN COUNTY SCHOOLS

Building Goals

Recruitment and Retention

- VBE staff will participate in the hiring process of new VBE staff.
- VBE staff will provide continuous mentorship to all new staff members.

Van Buren Elementary School

BROWN COUNTY SCHOOLS

Building Goals

School Family and Community Engagement

- Van Buren staff and students have opportunities to participate in programs/activities provided by VBE staff, PTO, school athletics, and community programs.
- Activities are communicated through social media platforms.

Van Buren Elementary School

Building Goals

Happy Staff & Students

- Students will participate in spirit days, PTO sponsored events, athletics, classroom celebrations and rewards.
- Teachers will participate in pitch ins, Red for Ed, PTO sponsored events, surprise and delights.
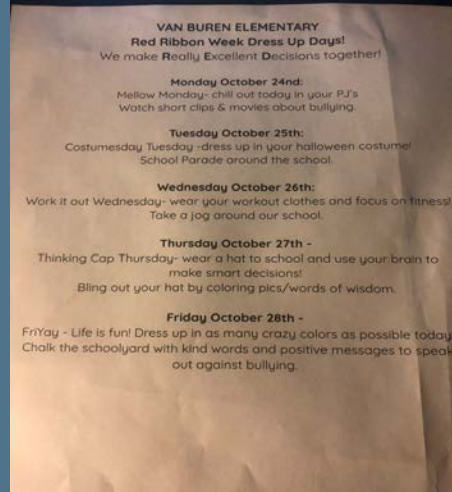

Van Buren Elementary School

BROWN COUNTY SCHOOLS

Professional Learning Communities/Cluster

- Two mentor teachers and principal
- Each Tuesday of every week.
- 3 cluster sessions for 1 hour.

Purpose for PLC/Cluster

- Setting instructional goals
- Data collection
- Data Evaluation
- Collaboration

Van Buren Elementary School

What are we Proud of?

- PreK-Did an amazing job on the Paths to Quality visit.
- Kindergarten - Introducing careers with speakers visiting the classrooms.
- 1st grade - Welcomed a new teacher!
- 2nd Grade - Teacher will become our SPED teacher. OG Training
- 3rd Grade - Took the first field trip of the year to Blue Springs Cavern. Was A lot of fun!
- 4th Grade - Continued to be departmentalized.
- 5th Grade - Moved Teachers/Teacher growth.
- Special Education - GEI meetings/GEI day.
- PTO - First Ice Cream Social/Parking cars at Middle School Eagle Classic, Fall Fest, much more to come!
- Athletics - Van Buren boys' and girls' cross country runners won the elementary school cross country race.

Van Buren Elementary School

BROWN COUNTY SCHOOLS

Fall Fest

Van Buren Elementary School

Challenges and Opportunities

Challenges

- Limited budget.
- Substitute Teachers
- Attendance

Opportunities

- Finding the right staff and support staff to fit Van Buren.
- Finding great ways to support students with a limited budget.

Competencies

3

Apprenticeship	Career & Technical Education (CTE) Concentrator	AP/IB/Dual Credit/Cambridge International/CLEP	Locally Created Pathway
Federally recognized apprenticeship	Must earn a "C" average or higher in at least six (6) high school credits in a state approved CTE pathway (program of study)	Must earn a "C" average or higher in at least three (3) courses One (1) of the three (3) courses must be in core content OR be part of a CTE pathway	Must be approved through the State Board of Education process

School Safety and Security

Brown County High School

BROWN COUNTY SCHOOLS

Goal: Reduce the number of student referrals to the office for students using vapes and dab pens at BCHS.
Strategy: By January 2023, BCHS will install and be able to use 6 vape detectors in restrooms and locker rooms.
Cost: $15,000

Three staff member will be a certified school safety specialists. (Principal, Asst. Principal, Athletic Director)

Brown County High School

Goal: Each new teacher at BCHS will be matched with a veteran teacher of at least 5 years of experience for the first 2 years of employment to assist with lesson planning, classroom management strategies, daily operation procedures, etc.

BROWN COUNTY SCHOOLS

Brown County High School

BROWN COUNTY SCHOOLS

School, Family, and Community and Engagement

Goal: Through the use of Final Forms and other selected database program(s), BCHS administration will be able to track student engagement in athletic, technology, band, choir, theater, yearbook or other academic ECA activities. In addition, BCHS will develop a system for creating a list and sharing these ECA activity opportunities with students with the goal to increase participation in these programs.

Happy Staff, Happy Students

Brown County High School

BROWN COUNTY SCHOOLS

Goal: Develop and implement a Student Mentorship Program where members of the BCHS student body will mentor students who are newly enrolled at BCHS. The goal of this group is to welcome newly enrolled students to the building. Students will be matched based on common goals and interests. The goal of this program is to help new students to feel welcome at BCHS and help support positive attendance at school.
