THE WHY

Safety

Gavin Steele

BROWN COUNTY
SCHOOLS

Safety is the most basic task of all. Without sense of safety, no growth can take place. Without safety, all energy goes to defense.

UNIT 1	Mindsets & Goals 7 lessons per grade	UNIT 2	Recognizing Bullying & Harassment 6 lessons per grade
Students learn how to develop a growth mindset and apply research-based goal-setting strategies to their social and academic lives. This unit's content helps create classrooms that are connected and encouraging by helping students set and achieve collective and personal goals, learn from challenges, recognize their personal strengths, and explore the unique aspects of their identities.		Students learn how to recognize bullying and harassment, stand up safely to bullying, and respond appropriately to harassment. This unit's content helps students develop empathy, understand the impact of bullying and harassment on individuals and their communities, and examine social and environmental factors that contribute to negative behaviors as well as identify solutions for preventing those behaviors.	
UNIT 3	Thoughts, Emotions & Decisions 6 lessons per grade	UNIT 4	Managing Relationships & Social Conflict 7 lessons per grade
Students learn how to recognize strong emotions and unhelpful thoughts, and they learn to apply strategies for managing their emotions and reducing stress. This unit's content helps students understand that all emotions are valuable because they provide us with information about our environment. Students learn to respond to their emotions in ways that help meet their wants and needs.		Students learn strategies for developing and maintaining healthy relationships, perspective-taking, and dealing with conflict. This unit's content helps students learn to honor and understand differences based on varied personal, familial, and cultural backgrounds.
