# School Safety and Security

Goal: Reduce the number of student referrals to the office for students using vapes and dab pens at BCHS.

Strategy: By January 2023, BCHS will install and be able to use 6 vape detectors in restrooms and locker rooms.

Three staff members will be certified school safety specialists. (Principal, Asst. Principal, Athletic Director)

# Brown County High School

---

## Recruitment and Retention

Goal: Each new teacher at BCHS will be matched with a veteran teacher of at least 5 years of experience for the first 2 years of employment to assist with lesson planning, classroom management strategies, daily operation procedures, etc.

## Brown County High School

BROWN COUNTY  
SCHOOLS

## School, Family, and Community and Engagement

Goal: Through the use of Final Forms and other selected database program(s), BCHS administration will be able to track student engagement in athletics, technology, band, choir, theater, yearbook or other academic ECA activities. In addition, BCHS will develop a system for creating a list and sharing these ECA activity opportunities with students with the goal to increase participation in these programs.

# Happy Staff, Happy Students

## Brown County High School

BROWN COUNTY  
SCHOOLS

Goal: Develop and implement a Student Mentorship Program where members of the BCHS student body will mentor students who are newly enrolled at BCHS. The goal of this group is to welcome newly enrolled students to the building. Students will be matched based on common goals and interests. The goal of this program is to help new students feel welcome at BCHS and help support positive attendance at school.
