## Waltman Construction 7th Grade Student of the Month

Congratulations to BCMS January “Student of the Month” Abigail Becraft. Abigail was nominated her Art Teacher Mrs. Roales. According to Mrs. Roales, "Abby is a joy to have in class. I admire her heart and effort on projects and how much thought she puts into each one. I really enjoy having her in class and cannot wait to see what her creative brain comes up with next. Abby also participated in making the cover for our BCMS teacher cookie exchange recipe book. She really loves class, loves being creative, and just seems to love school. She is helpful, caring, honest, hard-working and is such a gem." Abigail's picture will be displayed at BCMS during the month of January. A special thanks to **Waltman Construction** for sponsoring the BCMS “Student of the Month”. Abigail will be receiving a “Student of the Month” plaque compliments of **Waltman Construction**.
