The answer you give below will help the district determine what services you or your child may be able to receive under the McKinney-Vento Act. Students who are protected under the McKinney-Vento Act are entitled to immediate enrollment in school even if they don't have the documents normally needed, such as proof of residency, school records, immunization records, or birth certificate. Students who are protected under the McKinney-Vento Act may also be entitled to free transportation and other services.

If ANY box other than "In Permanent Housing" is checked, then the student/family should be immediately referred to the MV Liaison. In such cases, proof of residency and other documents normally needed for enrollment are not required and the student is to be immediately enrolled. After the student has been enrolled, the district/school must contact the previous district/school attended to request the student's educational records, including immunization records, and the enrolling district's LEA liaison must help the student get any other necessary documents or immunizations.
