2024 Referendum Overview

BROWN COUNTY
SCHOOLS

BCS Enrollment History

\$7,044.20 per student = Loss of \$2,261,188

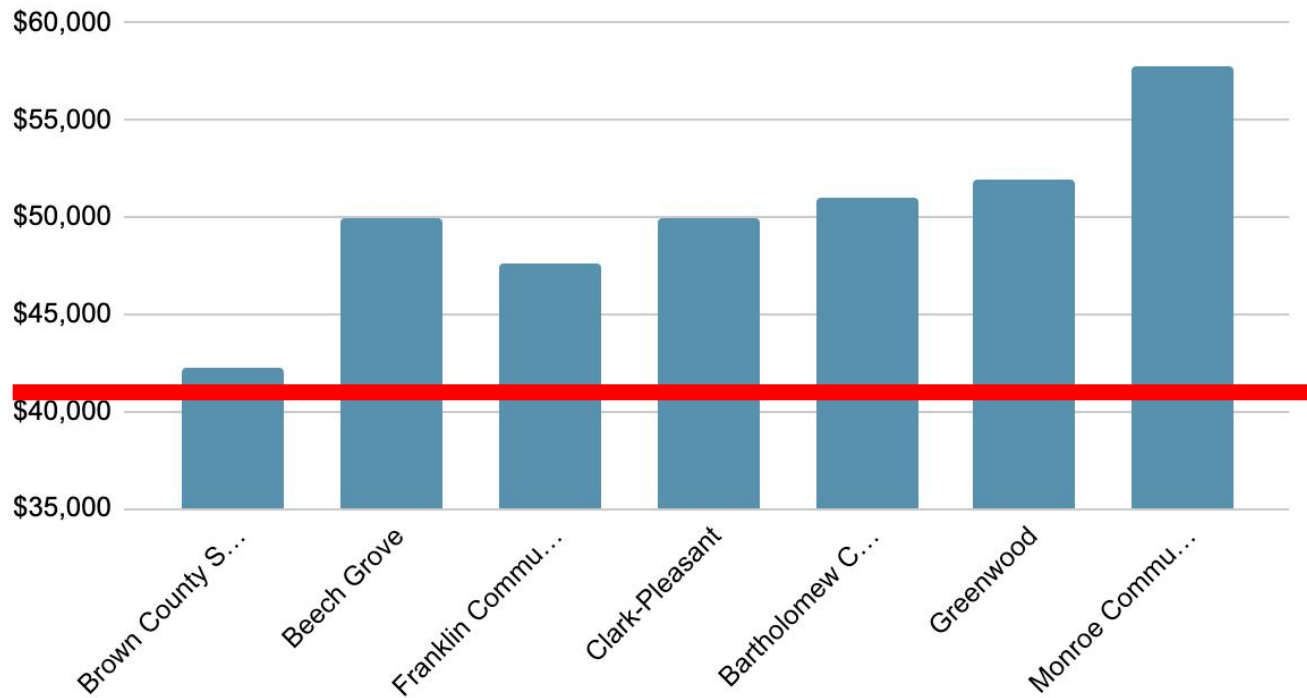

State funding is tied to each student. A loss of 321 students over the last six years at \$7,044 per student has cost the school system budget \$2,261,188. Many costs do not decrease when the number of students decreases.

2024 Referendum Overview

BROWN COUNTY
SCHOOLS

This referendum is an urgent opportunity for our community to support 10 cents per \$100 assessed value in taxes, only a 2 cent increase from the previous 8 cents with the sole purpose of directly funding wages and benefits for staff and to continue to build innovative programming within Brown County Schools. ***This referendum allows us, the community members, to have a direct say in important decisions that impact our children's education and our future.***

Adult Education Expenditures - Additional operational costs to support programming that is not currently funded by grants	\$188,000
Total Operating Referendum Revenue (\$0.10)	\$1,879,000

Proposed Spending Plan

BROWN COUNTY
SCHOOLS

The most important action you can take is to **VOTE**. Mark your calendars for **May 7**, know your polling location, and consider early or absentee voting options to ensure your voice is heard.

BROWN COUNTY
SCHOOLS

The referendum offers a vital lifeline to our schools, enabling us to **reduce class sizes, invest in our educators,** and continue building out **innovative programming**. This is our chance to secure a brighter future for all Brown County students.

By offering **competitive salaries** and professional development, we can **recruit and retain** the best educators, directly impacting the **quality of education** our children receive.

A strong school system **enhances property values**, attracts businesses, and prepares students for successful futures, **contributing to the economic vitality** and quality of life in Brown County.

Every single vote and voice in support of this referendum can help shape **a brighter future** for Brown County Schools. Together, let's take this step forward for our children, our community, and our **shared economic success** for the future.

While the tax increase represents a **modest adjustment** to our yearly expenses, the return on investment is substantial—**better-equipped schools**, improved student performance, and higher property values as our district becomes a **more desirable place to live**.

The Ballot Question

PUBLIC QUESTION

Shall Brown County Schools increase property taxes paid to schools by homeowners and businesses for eight (8) years immediately following the holding of the referendum for the purpose of funding the Taxpayer Investment Plan which will include providing for teacher and staff salaries, benefits and programs and funding the Career Resource Center? If this public question is approved by the voters, the average property tax paid to schools per year on a residence would increase by 28.16% and the average property tax paid to schools per year on a business property would increase by 17.28%. The most recent property tax referendum proposed by the school corporation was held in November, 2022 and failed.
