BROWN COUNTY SCHOOLS
Support Staff Personnel

INTRODUCTION

This Support Staff Personnel Handbook establishes policies and procedures of the Board of School Trustees applicable to support staff personnel employed by the Brown County Schools. This Handbook may not contain all of the policies and procedures that are applicable to support staff personnel. The policies described in this Handbook may be changed, added or deleted by the Board of School Trustees for the Brown County Schools at any time, for any reason, with or without notice, subject to any applicable law. Brown County Schools will make every effort to notify support staff personnel when an official change in policy or procedure has been or will be made but support staff personnel are responsible for their own up-to-date knowledge about the Schools' policies and procedures.

The information contained in this Handbook as it pertains to support staff benefits is only intended to provide a brief summary of our benefit plans. Where there is a difference between this Handbook summary and any benefit plan document, the plan document will govern.

The policies described in this Handbook will be applied at the discretion of Brown County Schools in compliance with all applicable law. Failure of the School Corporation to enforce any provision of a policy does not constitute a waiver of that policy.

This Handbook is **NOT** a contract of employment nor is it intended to create contractual obligations for the Brown County Schools of any kind. Support staff personnel are employed at-will and may be terminated at any time for any reason (subject to applicable law) with or without notice.

This Handbook supersedes all prior versions of any support staff handbook and any other written or unwritten policies and procedures that conflict with the policies herein.

PERSONNEL POLICY

It is the policy of Brown County Schools to hire the most qualified persons to support the mission of the corporation to educate and protect the children of Brown County. Support staff work on an at will basis for Brown County Schools. At will employment does not include contractual protection and is contingent upon satisfactory performance.

To keep its personnel policies and the corresponding administrative guidelines in the highest state of effectiveness the Superintendent is directed to establish appropriate procedures.

EMPLOYMENT RECOMMENDATIONS

It shall be the responsibility of the Superintendent to recommend to the Board of School Trustees the highest quality applicants for the positions established.

NON-DISCRIMINATION

It is the policy of Brown County Schools not to discriminate on the basis of race, color, religion, sex, sexual orientation, national origin or age in its educational programs or employment policies as required by the Indiana Civil Rights, Titles VI and VII (Civil Rights Act 1964) the Equal Pay Act of 1973 and Title IX (1972 Education Amendments).

Inquiries regarding compliance with Title IX may be directed to the Title IX Coordinator. All other inquiries regarding the School Corporation non-discrimination policy should be directed to the Superintendent.

Further, no qualified individual with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subject to, discrimination under any programs or activity.

ATTENDANCE

Punctual and regular attendance is an essential responsibility of each employee in Brown County Schools. Any tardiness or absence causes problems for fellow employees and supervisors. When an employee is absent, others must perform the work, which diminishes the smooth functioning of the school district.

Employees are expected to report to work as scheduled, on time and prepared to start work. Employees also are expected to remain at work for their entire work schedule. Late arrival, early departure or other absences from scheduled hours are disruptive and must be avoided. The purpose of this policy is to promote the efficient operation of the school district and minimize unscheduled absences.

Any employee who fails to report to work without notification to his or her supervisor for a period of three days or more will be considered to have voluntarily terminated his or her employment relationship.

“Absence” is defined as the failure of an employee to report for work when the employee is scheduled to work. The two types of absences are defined below:

1. Excused absence occurs when all four of the following conditions are met: a) the employee provides sufficient notice to his or her supervisor, b) the reason is found credible or acceptable by his or her supervisor (see number 2 below), c) such absence request is approved by his or her supervisor, and d) the employee has sufficient sick /personal/vacation day(s) to cover such absence. Employees must take a sick/personal/vacation day for every absence unless otherwise allowed by district policy (e.g., Leave of Absence policy, Bereavement policy, Jury Duty).

Brown County Schools uses a calendar year when determining an excessive amount of unexcused absences. (See number 2.)

2. Unexcused absence occurs when one of the four conditions in number 1 is not met. If it is necessary for an employee to be absent or late for work because of illness or an emergency, the employee must notify his or her supervisor no later than 30 minutes after the employee's scheduled starting time on that same day. If the employee is unable to call, he or she must have someone make the call for the employee.

Two days of unexcused absence may subject an employee to immediate termination. Progressive discipline will be administered according to the table in the section "Progressive Discipline for Unexcused Absences" below.

Employees who have three consecutive days of excused absences because of illness or injury must give Brown County Schools a proof of physician's care. If an illness or injury prevents an employee from performing his or her regularly scheduled duties, a physician's statement must be provided verifying a) the nature of the illness or injury, b) if and when the employee will be able to return to work, if applicable, and c) whether the employee is capable of performing his or her regularly scheduled duties, and if not, what duties the employee is capable of performing. The employee is responsible for providing Brown County Schools with the above-described physician's proof of physician's care. Without an acceptable excuse, the employee may be subject to immediate termination.

For an emergency absence occurring a) at the beginning of an employee's shift, the employee must notify his or her supervisor within 30 minutes after the beginning of the shift, and b) during an employee's shift, the employee must notify his or her supervisor prior to leaving the premises.

An employee's supervisor must approve any exceptions to this provision or any conflicts in scheduling.

Tardiness

Employees are expected to report to work on time. If employees cannot report to work as scheduled, they should notify their supervisor no later than 30 minutes after their regular starting time. This notification does not excuse the tardiness but simply notifies the supervisor that a schedule change may be necessary.

Progressive Discipline for Unexcused Absences

First instance	Verbal warning
Second and all future instances totaling fewer than 2 days	Written warning
At 2 days of accumulated unexcused absences	Subject to termination

LEAVES AND HOLIDAYS

Unpaid Leave Days

An employee requesting leave beyond those days granted by the policies of the School Corporation or by applicable law must make his/her request to the Building Administrator or Supervisor and Superintendent. Such a request will be granted if the Superintendent, in his/her sole discretion, determines that extenuating circumstances exist that justify the need for the additional leave days. Each request and the extenuating circumstances associated with the request will be evaluated on a case-by-case basis. All leave days available to an employee through the School Corporation's policies and law must first be exhausted before the Superintendent will consider a request to grant additional unpaid leave days. Any granted unpaid extended leave of absence must be approved by the School Board of Trustees.

Sick Leave

Sick leave days will be granted after 30 days of continued employment. Support staff shall use sick leave for either their own personal illness or to care for eligible family members who are ill. An eligible "family member" for purposes of this provision is defined as the employee's father, mother, brother, sister, spouse, child, father-in-law, mother-in-law, grandchild or a person living in the home of the employee. 180-240 day employees working 30 hours or more per week are provided eight (8) sick leave days each school year. Unused sick days accumulate each year to a maximum of 90 sick days. Temporary/Part time employees are not eligible for Sick Leave benefits, including holiday pay, except workers compensation, if eligible under state law.

260 day employees are provided twelve (12) sick leave days each calendar year. Unused sick leave days accumulate each year to a maximum of 90 sick days.

Requested leaves may only be taken on a half or full day basis.

Accumulated sick leave days are not paid out upon separation of employment.

The School Corporation reserves the right to request medical certification to support the employee's request to use sick leave days.

Personal Leave

Personal leave days will be granted after 30 days of continued employment. Support staff working 180-240 days and 30 hours or more per week are provided two (2) personal leave days per school year. Support staff working 260 days are provided three (3) personal leave days per school year. Temporary/Part time employees are not eligible for Personal Leave benefits, including holiday pay, except workers compensation, if eligible under state law.

Requested leaves may only be taken on a half or full day basis.

All personal leave days not used by June 30th will be added to the balance of accumulated sick leave.

Bereavement Leave

All support staff shall be granted up to five (5) days leave for the death of a family member of the employee's immediate family. The immediate family shall be defined as the employee's father,

mother, brothers, sisters, spouse, children, father-in-law, mother-in-law, grandchild, person living in the home, or other family member approved by the Superintendent.

Support Staff shall be granted three (3) days leave for death of any other relative not defined as immediate family.

Jury Duty

Employees serving on jury duty or subpoenaed to appear as a witness in court must submit their compensation, excluding travel reimbursement, to the school district in order to receive their normal pay.

Election Board

Employees shall not be paid by the school district to serve on any Election Board.

Leave for Major Disability

260 day employees working 30 hours or more per week are provided long term disability insurance at a cost of \$1.00 per year. For information relating to the requirements to be eligible for long term disability insurance, please see the long term disability plan document that may be obtained through the Superintendent's Office.

The committee shall review each request on an individual basis. The Committee has the full responsibility in granting, denying or suspending grants of days from the Sick Leave Bank, provided, the above rules were followed.

In such an event, each member of record for the current school year or the prior school year, as appropriate, shall donate an additional day in order to remain as a member in good standing.
9. Employees who failed to join the sick leave bank at the time of employment shall become members only by donating one (1) day for each year that they were eligible. They are also obligated to any additional days of donation required of bank members during that same period.

Absences for Job Related Injury

If a support staff member is injured during the course and scope of his/her employment as a result of an act of violence or battery and requires time off work as a result, the school corporation will pay the difference between any compensation paid by the insurance company for time off work and the staff member's regular scheduled hours/days with no deduction from their accumulated leave. To qualify for

this, a police report should be filed and the Superintendent shall certify that such injury was the result of a school-related incident of violence or battery.

Any case of assault upon an employee shall be promptly reported to the Superintendent or his or her designee. The support staff member shall cooperate with any criminal proceedings resulting from the assault.

eLearning Days

- the school day will not be made up on a different day

Inclement Weather and County Travel Status Guidelines

If Brown County is under an orange or red travel status, there will be no travel to school buildings by staff, with the following exceptions:

- Custodians/maintenance are expected to report to their assigned buildings, as long as travel is permitted, to ensure buildings are safe and ready for return.
- If the county is under a "no travel" restriction, custodians should not report.

Overtime

Overtime will only be allowed upon prior approval of the building administrator or supervisor. Overtime is calculated on the number of hours physically worked exceeding 40 hours in a work week and will be paid at time and one half. "Hours worked" means the employee is actually working. For example, if an employee is paid for a paid leave day or paid holiday, then such time, even though paid, is not actually worked by the employee, and therefore such hours are not included as "hours worked" for that work week. The work week is Sunday through Saturday.

Compensatory (Comp) Time

To support the operational needs of the district while recognizing the contributions of support staff, the Board of Trustees establishes the following policy regarding compensatory (comp) time:

1. **Pre-Approval Requirement**

All hours worked beyond an employee's regularly scheduled work hours **must be pre-approved** by the employee's Principal or Director. Unauthorized overtime will not be eligible for comp time accrual.

2. **Maximum Accrual**

Support staff may carry a **maximum of 10 hours** of comp time at any given time. Any hours accrued beyond this limit will not be credited unless an exception is granted.

3. **Usage Deadline**

Comp time must be **used within two pay periods** from the date it was earned. Failure to use comp time within this window may result in forfeiture of the time, unless an exception is approved.

4. **Exceptions**

Any exception to this policy, including carrying over more than 10 hours or extending the usage period, must be **approved by the Superintendent** in advance.

Time Sheets

A time sheet must be completed by each hourly and daily rate employee. The time sheet should be completed and signed for the pay period indicated. The time sheet is to be turned in to the building Administrative Assistant or Administrator according to the payroll calendar schedule. Only properly completed timesheets will be processed by the payroll department.

Direct Deposit

All employees are required to receive pay by direct deposit. All changes in employee bank accounts must be provided in person to the Payroll Specialist at the Central Office. No banking changes will be taken by phone call or email.

It will be the responsibility of the employee to pay such insurance premiums due in the manner designated by the Superintendent.
4. The employee shall cease to be a participant in the Program, and no further compensation will be due or payable to the employee, (1) when the employee has completed the school year (September 1 to August 31) in which the employee first reaches normal Medicare eligibility age (the age at which one can retire and still collect full Medicare benefits), or (2) the employee has received the maximum number of annual payments for which the employee qualifies (not to exceed ten (10) annual payments), or (3) when the employee has died before completion of the Program, provided, however, that the compensation shall be prorated for the year of the employee's death.

CRIMINAL HISTORY CHECKS

To help ensure a safe environment and as required by state law, Brown County Schools will conduct an expanded criminal history check on each employee once every five (5) years. The superintendent will be responsible for determining the schedule for conducting the expanded criminal history checks on school employees. The cost of an expanded criminal history check will be the responsibility of the employee.

The School Corporation may conduct an expanded criminal history check on an employee when the Corporation has reason to believe the employee has been convicted of or charged with certain crimes enumerated in state law or an expanded child protection index check when the Corporation has reason to believe the employee is the subject of a substantiated report of child abuse or child neglect.

Each employee will be questioned about the individual's expanded criminal history check. Failure to answer honestly any questions related to the expanded criminal history check may be cause for termination of the employee.
